

\$1,000,000 Vitori Victory[®] Guarantee

Guaranteed Savings You Won't Find Anywhere Else

Vitori Health is serious about controlling costs and providing a better health plan experience for you and your employees. Our high-performance, durable platform uses the best available science, technology, and payment practices to create unprecedented value, now and in the future, and a remarkable member experience.

No other self-insured health plan delivers greater, more sustainable savings. By eliminating the waste and conflicts of interest in legacy plans, we've reduced the financial barriers to high-value care and medications, driving enhanced benefits and improved outcomes at a lower cost.

Savings You Can See

Vitori Health has built accountability and transparency into our health plan, contract, payment protocols, and our unparalleled \$1,000,000 Vitori Victory Guarantee. The math is simple. If your actual results are less than 50% of projected savings, the Vitori Victory Guarantee pays the difference.

Note that this guarantee requires historical data and other inputs for establishing baseline costs and underwriting savings projections and may not be applicable to all clients.

The Vitori Health team has removed over \$100s of millions in excess health care costs for employers.

VITORI WILL REIMBURSE UP TO \$1 MILLION IF WE DON'T HIT OUR PROJECTED SAVINGS TARGET
